

ENVIRONMENTALIST III Position #43496

The New Hampshire Department of Environmental Services (DES), Office of the Commissioner, NH Geological Survey has an immediate opening for a full-time Environmentalist III. This position plan and implement detailed fluvial geomorphology, stream crossing and watershed-based risk assessments of flood, geologic and environmental hazards associated with riverine flooding and erosion to identify public safety and wetlands risks, with responsibility to compile and maintain flood hazards program data.

Minimum qualifications for this position is bachelor's degree with a major study in a related environmental science and four years' experience as an Environmentalist in geomorphology, geology, surface water hydrology, environmental management, risk management or hazard mitigation. Each additional year of approved formal education may be substituted for one year of required work experience

SPECIAL QUALIFICATIONS: Specific knowledge of river and flood hydrology, geomorphology, and wetlands ecology, with supplementary knowledge of broader environmental concepts, particularly related to surface water resources. Ability to analyze flood risk and hydrological datasets. Knowledge of ArcGIS 10.x ® geographic information systems software. Knowledge of ArcGIS 10.x and its use in spatial analysis. Knowledge of statistical methods, techniques and software. Ability to independently plan and develop multipart environmental data analysis projects. Ability to conduct technical training programs, and provide public outreach in a highly professional manner. Ability to maintain, and be comfortable working within, highly collaborative relationships with state government colleagues, local government and external entity stakeholders, and the general public. Ability to communicate concisely in oral, written and graphic form.

The salary range for this position \$44,479.50 - \$52,825.50. Three additional steps may be awarded based on successful performance evaluations. The selected candidate must satisfactorily pass criminal background and motor vehicle checks and will have to pay a union/agency fee at a future date. For further information on the responsibilities for this position, please contact Shane Csiki, Administrator II at shane.csiki@des.nh.gov or at 603-271-2876.

We offer an attractive benefits package.
